AVILA BEACH COMMUNITY SERVICES DISTRICT
RESOLUTION NO. 2000 - 2002
**RESOLUTION REVISING AND AMENDING WATER FACILITIES ASSESSMENT
FEE SCHEDULE**

DATED: April 11, 2000

The Board of Directors makes the following findings:

A. This Resolution is adopted pursuant to authority of Government Code §61621, 61621.5, and 66012-66024.

B. By its Ordinance No. 2-87 the Avila Beach County Water District (predecessor to this District) created a Water Facilities Assessment Fund and enacted certain fees to be assessed to and paid for by new property developments and improvements within the district; said Ordinance provides that the schedule of Water Assessment Fees may be revised or amended by resolution if the District finds that the estimated costs for construction of water system improvements has changed.

C. On February 8, 2000 the General Manager of this District filed with the District a "Connection Fee Analysis", which recommends certain increases in the Water Assessment Fee Schedule, based on the current estimated cost of necessary water system capital improvements, which this Board has reviewed and hereby adopts.

D. The Board of Directors finds that the estimated costs for water system capital improvements needed by the District requires that the Water Assessment Fee Schedule of Ordinance No. 2-87 should be revised and amended as set forth herein.

E. Pursuant to requirements of Government Code §66016, a public hearing was held

on this proposed Resolution on April 11, 2000, after notice of hearing as required by law, at which time all interested persons were given the opportunity to present oral or written statements for or against the proposed fee increase, and the Board has considered such statements.

NOW, THEREFORE, be it resolved by the Board of Directors of Avila Beach Community Services District as follows:

Based on the foregoing findings, the Water Facilities Assessment Schedule set forth in Ordinance No. 2-87 is hereby revised and amended as set forth in Exhibit "A", attached hereto.

On motion of Director Alcon, seconded by Director Grife, and on the following roll call vote, to-wit:

MEMORANDUM

TO: Board of Directors

FROM: John L. Wallace, General Manager 

DATE: July 11, 2000

SUBJECT: Hybrid Sewer Assessment - Corrections

Recommendation:

Approve corrections to ordinance where typographical errors were included on the sewer assessments for "hybrid uses".

Funding:

Not Applicable

Discussion:

Typographical errors were inadvertently included on the sewer assessment portion of the connection fee resolution adopted by the Board on April 11, 2000. The errors have been corrected as shown on the attached sheets reflecting the basis of calculation.

The only connection fee change to "preliminary will serves" that the Board has considered is the Unocal request for the San Juan Park restrooms which has been changed to reflect the correct sewer connection fee.
