RESOLUTION NO. 73-2

RESOLUTION OF THE BOARD OF DIRECTORS OF AVILA
BEACH COUNTY WATER DISTRICT ORDERING CONSTRUCTION OF
SANITARY DRAINAGE FACILITIES BY THE
SUPERINTENDENT OF STREETS

The following Resolution is hereby offered and read:

WHEREAS, by Resolution duly adopted on November 16, 1972, the Board of Directors of Avila Sanitary District, the predecessor in interest of Avila Beach County Water District, found and declared it to be necessary and in the public interest that sanitary drainage facilities, to-wit: sewage collection facilities, be installed and constructed in front of the properties described in Exhibit A, attached hereto and incorporated herein by this reference, and set a hearing thereon for January 9, 1973, and

WHEREAS, this is the time and place fixed for hearing objections to the proposed construction of improvements pursuant to the Improvement Act of 1911, as described in said Resolution previously adopted; and it appearing that notices of this hearing have been duly and regularly posted on all blocks described in said Resolution, and duly served on the property owners involved as required by law, as evidenced by the certificate of the Superintendent of Streets heretofore filed with the City; and it appearing that all persons have been given the opportunity to be heard and object with respect to the proposed improvements; and no objections thereto having been received; and the President of this Board having declared the hearing closed.

NOW, THEREFORE, BE IT RESOLVED AND ORDERED by the Board of Directors of Avila Beach County Water District as follows:

1. Each of the above declarations is found to be true and correct.
2. No objections to the proposed construction have been made. *A*
3. That the Board of Directors has acquired jurisdiction to proceed and perform the work of construction set out in said Resolution of November 16, 1972 on the blocks therein specified.
4. That if the improvements referred to in said Resolution of November 16, 1972 have not been performed by the property owners involved within the time required by law, the Superintendent of Streets is hereby ordered to proceed with the preparation of plans and specifications for the letting of a contract by this District to have said improvements performed by the District, with the cost thereof together with the administrative and other costs thereof to be distributed and collected from the properties benefiting from said improvements pursuant to the procedures set forth in Chapter 27 of the Streets and Highways Code, Sections 5870 et seq.

5. Upon completion of the construction of said improvements the Superintendent of Streets shall post and serve, and submit to this Board, as provided in Streets and Highways Code Section 5881, an itemized written report showing the cost of construction for each parcel or lot affected.

6. That in collecting the cost of installation of said facilities by this District and the administrative and other costs related thereto the District intends to permit the owners of the properties assessed thereunder to pay said assessment in equal installments over a period of ten (10) years with interest on the unpaid balance thereof at the rate of seven per cent per annum.
