

RESOLUTION NO. 93-13

**A RESOLUTION OF THE BOARD OF DIRECTORS OF THE
AVILA BEACH COUNTY WATER DISTRICT**

**REQUESTING PARTICIPATION IN THE SAN LUIS OBISPO COUNTY
REGIONAL HAZARDOUS MATERIALS
RESPONSE TEAM**

WHEREAS, the town of Avila Beach is at risk of a hazardous materials incident requiring a response capability that currently does not exist, and

WHEREAS, the town of Avila Beach can not afford or logistically support its own hazardous materials response team that complies with State and Federal regulations, and

WHEREAS, the Fire Chiefs of San Luis Obispo County, working in conjunction with Environmental Health, Sheriff's Department, Department of Transportation, California Highway Patrol, Office of Emergency Services and others, completed a three year analysis of the impacts and capabilities of local emergency responders in hazardous materials related incidents, and

WHEREAS, the results of this analysis clearly indicate that the best approach to handling a hazardous materials incident is the development of a county-wide Regional Hazardous Materials Response Team, and

WHEREAS, participation in the San Luis Obispo County Regional Hazardous Materials Response Team will provide the town of Avila Beach with a qualified, cost-effective and locally controlled hazardous materials emergency response system authorizing participation.

NOW, THEREFORE, BE IT RESOLVED, the Board of Directors authorizes the Avila Beach Fire Department to participate in the San Luis Obispo County Regional Hazardous Response Team and directs its President to sign a cooperative agreement.

On Motion of Board Member Archie McLaren, seconded by Director Byron Briley, and on the following vote to wit:

AYES: Director's McLaren, Misakian, Briley, Branch and Harrington

NOES: None

ABSENT: None

The foregoing Resolution is hereby adopted this 21st day of September

President of the Board of Directors
